

By Breath

by Sara Thomsen

(Sara sings it in A, capo on 2nd fret)

G C G D
By breath, by blood, by body, by spirit, we are all one (2x)

G C
The air that is my breath is the air that you are breathing
G C
And the air that is your breath is the air that I am breathing
G C
The wind rising in my breast is the wind from the east, from the west
G C
From the north, from the south, breathing in, breathing out

CHORUS

G C
The water that is my blood, my sweat, tears from crying
G C
Is the water that is your blood, your sweat, tears from crying
G C
And the rising of the tide is in our veins and in the ocean wide
G C
We are in the rising steam, rushing river, running stream

CHORUS

G C
The earth is dust, the earth is clay, flow'rs blossoming and fading
G C
We are dust and we are clay, we are blossoming and fading
G C
Every color, every sound, every place is holy ground
G C
Oh, every living thing, can you hear it laugh? Can you hear it sing?

G C
The fire in my heart, my soul flame burning
G C
Is the fire in your heart, your soul flame burning
G C
We are Spirit burning bright, by the light of day, in the dark of night
G C
We are shining like the sun, and like the moon, like the Holy One

CHORUS
